

# GROUP BUILD DAYS *are back!*

Thank you to everyone's support of Habitat for Humanity Greater Boston during the pandemic. Volunteers are a crucial part of our work and we are very happy to welcome them back to our build sites.

## Due to COVID-19 concerns we are taking extra precautions including:

- Limiting the maximum volunteer group size to **5** people
- Providing masks\*, gloves, hand sanitizer and hand washing stations to all volunteers
- Sanitizing all tools before and after volunteer use
- Setting up designated lunch areas

\*Habitat will provide masks to volunteers who do not arrive with one.

“ As an electrician who has volunteered on a few HFH projects I have seen the great results of families safely and proudly housed. ”

- Robert Fairchild

In the interest of safety, we ask that all volunteers abide by the following protocol:

Wear your mask at all times except during lunch

Be responsible for all personal possessions brought to the site

Agree to have temperature taken before build day begins

If you would like to support Habitat in other ways please visit [habitatboston.org/support](https://habitatboston.org/support)
