

GROUP BUILD DAYS *are back!*

Volunteers are a crucial part of our work and we are very happy to welcome you back to our build sites. Together we are making homeownership possible for another hardworking family deserving a safe, healthy and affordable home.

We ask that volunteers who have not been vaccinated wear masks at all times. Our staff have been vaccinated against the COVID-19 virus, but we are still taking extra precautions to keep everyone safe:

- Providing masks*, gloves, hand sanitizer to all volunteers
- Setting up hand washing stations for use on site

*We reserve the right to make changes to COVID protocols without notice.

“ As an electrician who has volunteered on a few HFH projects I have seen the great results of families safely and proudly housed. ”

- Robert Fairchild

In the interest of safety, we ask that all volunteers abide by the following protocol:

Wear your mask at all times if you are not vaccinated

Be responsible for all personal possessions brought to the site

Wear comfortable & safe clothing when at the site. Closed toe shoes required
